Dear Mr. Hagan:

Re: Direct Energy Regulated Services Rider "F" Rates for ATCO Gas North Service Territory for February 2010

Please be advised a transposition error was discovered in the F-2 schedule of DERS' North February GCFR filing. This error impacted the value of total purchases for February 2010. As such, DERS is re-submitting a corrected filing.

Revisions to the filing are limited to the following:

1. Line 2 of Schedule M-1 is revised to \$55,865 from \$55,866
2. Line 1 of Schedule F-2 is revised to 5.2801 from 5.2815
3. Line 2 of Schedule F-2 is revised to 5.2815 from 5.2801

Although the value of total purchases did change, the relative size of the change was not sufficient to alter the GCFR. Therefore the proposed Rider F for the ATCO Gas North service territory for February 2010 remains unchanged at \$5.830/GJ.

Should you require additional information please contact the undersigned at 403-290-7744.

Yours truly,
